Improvements to travel insurance coverage**

Hello,

We are pleased to inform you that since February 1, 2014, the CSQ's group travel insurance coverage has been improved without any rate increases. The improvements were the result of recommendations made by the SSQ's travel insurance provider, aimed at continuing to offer competitive coverage.

Improvement details:

- the maximum for the cost of returning a policy holder's personal vehicle is increased from \$1,000 to \$2,000;
- the maximum for the cost of preparing human remains is increased from \$5,000 to \$10,000;
- the maximum for a policy holder's daily living expenses (accommodation and meals) is increased from \$200 to \$300 with the maximum per trip increased from \$1,600 to \$2,400;
- the maximum for daily living expenses of a close relative (accommodation and meals) is increased from \$200 to \$300 with the maximum per trip increased from \$1,600 to \$2,400;

These changes will be incorporated into the CSQ document *Travel Insurance (with Assistance) and Trip Cancellation Insurance* the next time the document is updated at which point you will be informed.

Members who are registered with the SSQ's online service Access | Plan Members can access this document whenever they like and it is also available on the CSQ's website by clicking on Assurances, then English Documents.

Yours in solidarity!

On behalf of the Insurance Team,
